

CHIEF, NAVY DENTAL CORPS

4 June 2008

Dear Master Chief Martinez,

On behalf of the men and women of the Navy Dental Corps I extend sincere congratulations on the occasion of the 110<sup>th</sup> anniversary of the Hospital Corps.

The Hospital Corps has a long distinguished history of professionalism and dedication in delivering the finest medical care and more recently dental care in a variety of demanding circumstances. The recent merging of the DT and HM rating sets an even higher bar for Corpsman to attain. The many and varied settings in which Medical Department Enlisted have served during the past 110 years demonstrates your Corps' versatility and fulfills your worldwide reputation as extremely talented and caring people.

My warmest personal wishes to you and the members of the Navy Hospital Corps as you celebrate another anniversary of unparalleled service.

Sincerely,
